Just a small town girl in the city lights  
The best was yet to come  
Then lonely days turned to endless nights  
The best was yet to come

How were you to know  
That you would be the lucky one  
Ain't it funny how time flies  
When the best is yet to come

You can cry yourself to sleep at night  
You can't change the things you've done  
You had it there then it slipped away  
Yeah you left the song unsung

Even through your tears  
I never saw you come undone  
What's so good about goodbye  
When the best was yet to come  
I find myself thinkin' about yesterday  
When you were and livin' in a dream  
In the moment that it takes  
You find you made your first mistake  
Like the setting sun...  
You turn around it's gone

Just a small town girl who had it made  
Or so the story goes  
She had it there then it slipped  
Oh - how was she to know

Even through her tears  
I never saw her come undone  
Ain't it funny how time flies  
When the best is yet to come  
What's so good about goodbye  
When the best was yet to come
