I hear the wind across the plain
A sound so strong - that calls my name
It's wild like the river - it's warm like the sun
Ya it's here - this is where I belong

Under the starry skies - where eagles have flown
This place is paradise - it's the place I call home
The moon on the mountains
The whisper through the trees

The waves on the water
Let nothing come between this and me

Cuz everything I want - is everything that's here
And when when we're all together - there's nothing to
fear
And wherever I wander - the one thing I've learned
It's to here - I will always....always return
