Love is forever - as I lie awake  
Beside you  
I believed - there's no heaven  
No hideaway - for the lonely

But I was wrong - crazy  
It's gotta be strong  
It's gotta be right

Only wanted to stay a while  
Only wanted to play a while  
Then you taught me to fly like a bird

Baby - thought I'd died and gone to heaven  
Such a night I never had before  
Thought I'd died and gone to heaven  
Cause what I got there ain't no cure for

Ooo it's so easy  
What you do to me all night angel  
I never loved - I swear to God  
Never needed no one, 'til you came along  
Here I come baby  
It's gotta be strong - it's gotta be right  
Only wanted to stay awhile  
Only wanted to play awhile  
Then you taught me to fly like a bird

Baby - thought I'd died and gone to heaven  
Such a night I never had before  
Thought I'd died and gone to heaven  
Cause what I got there ain't no cure for

I feel fast asleep - I feel drunk  
I dream the sweetest dreams  
Never wanna wake up

Never thought it could be this way  
No doubt about it - can't live without it  
Never thought it could be this good  
You made love to me - the way it oughta be
