To really love a woman, To understand her,  
You gotta know her deep inside,  
Her every thought, See every dream,  
And give her wings if she wants to fly,  
And when you find yourself lying helpless in her arms,  
You know you really love a woman...

When you love a woman then tell her that she's really  
wanted  
When you love a woman then tell her that she's the one  
She needs somebody to tell her that it's gonna last  
forever  
So tell me have you ever really, really really ever loved  
a woman

To really love a woman, let her hold you  
Till you know how she needs to be touched  
You gotta breathe her, you gotta taste her  
Till you can feel her in your blood  
When you can see her unborn children, in her eyes  
You know you really love a woman

When you love a woman then tell her that she's really  
wanted  
When you love a woman then tell her that she's the one  
She needs somebody, to tell her that you'll always be  
together  
So tell me have you ever really, really really ever loved  
a woman

Oh you've got to give her some faith, hold her tight  
A little tenderness, you gotta treat her right  
She will be there taking good care of you  
Ohh you gotta love your woman yeah

And when you find yourself lying helpless in her arms  
You know you really love a woman

When you love a woman then tell her that she's really  
wanted  
When you love a woman then tell her that she's the one  
She needs somebody to tell her that it's gonna last

forever

So tell me have you ever really, really really ever loved  
a woman

Just tell me have you really, really every loved a woman

Ohh just tell me have you ever really really ever loved...

Just tell me have you really, really every loved a woman

Ohh just tell me have you ever really really ever loved...
