When you love someone you'll do anything
You'll do all the crazy things that you can't explain
You'll shoot the moon, put out the sun
When you love someone

You'll deny the truth, believe a lie
There'll be times that you'll believe you can really fly
But your lonely nights have just begun
When you love someone

When you love someone, you'll feel it deep inside
And nothin else can ever change your mind
When you want someone, when you need someone
When you need someone

When you love someone you'll sacrifice
You'd give it everything you got and you won't think
twice
You'd risk it all no matter what may come
When you love someone
You'll shoot the moon, put out the sun
When you love someone
