When you love someone
You'll do anything
You'll do all the crazy things that you can't explain

You'll shoot the moon
Put out the sun
When you love someone
You'll deny the truth
Believe a lie
There'll be times that you'll believe you can really fly
But your lonely nights have just begun
When you love someone

When you love someone
You feel it deep inside
And nothin' else could ever change your mind

When you want someone
When you need someone
When you love someone

When you love someone
You'll sacrifice
You'd give it everything you got
And you won't think twice
You'd risk it all
No matter what may come
When you love someone
You'll shoot the moon
Put out the sun
When you love someone
