Was it some man that didn't treat you right?  
Left you reaching out for him in the middle of the night  
Is there some heartache that you can't out run?  
That makes you so afraid to get close to anyone

You're so easy to look at, you're so easy to hold  
And it's so easy to touch you but so hard to let go  
It's so easy to want you that I can't get enough  
Tell me why do you have to be  
Why do ya have to be so hard to love?

Is it some hurt from long ago  
That makes it so hard to let your feelings show?  
Is it the ghost of who you used to be  
That makes you so afraid to bear your soul to me?

You're so easy to look at, so easy to hold  
So easy to touch you honey, so hard to let go  
My love, easy to want you that I can't get enough  
Tell me why do you have to be  
Why do you have to be

Tell me, tell me, tell me why do you have to be  
Tell me, yeah, why do you have to be so hard to love?
