[Daz whispering]

This nigga to give it all to me with the cut  
\*door knocking\*

[Kurupt]

Get the door

[Daz Dillinger]

Yo wassup? What you need?  
Hmm? Yeah  
I'm out

Hop in the '6-3 Chevy, countin boutin the heat  
Scapin thru the streets with my niggas bumpin  
hellafied beats  
See us, niggas play for keeps, kill the strong and the  
weak  
>From the Eastside of Long Beach, that's 2-1 Street  
See we, live and die by the gun and the knife  
And I, high as a kite, corrallin thru the night  
Haha, stackin hundreds, we kept the drugs and hoes  
comin (Come on)  
Young gunnin, tortured, no need to be punished (Yeah)  
All we have of the system is big cabbage  
Lifestyles is lavish, livin my life from Dallas  
It was a challenge, livin my life like a savage  
To have or to not to have it or nobody can have it  
Un-touch-able, inde-struct-able  
Get in my way and we're dustin you  
As a kid this the type of shit that we dreamed of  
Money, cars, bitches and drugs  
I prevail, the crack sales then got in jail  
Couldn't post bail now my home is livin in a cell  
Thirty years with no parole as I grow old  
You won't see me on the streets til I'm 60 years old

Chorus: Daz singing

Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?

[Snoop] It's only for the money  
It's just the gangsta life we live  
Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?  
[Snoop] It's only for the money  
It's just the gangsta life we live

[Warren G]  
It's the A, Team, operation regime  
Money and dreams got me hooked with schemes  
>From the Time Square walk to America's best  
Long Beach is the spot, got a lot of respect  
Cos I'm a vet, regulate and never hesitate  
I stay hungry so fill my plate  
I'm just a young black nigga tryin to flip an end  
Five year probation, nigga fuck the pen  
Whattup, Uncle Kev doin eight upstate  
I heard you're benchin ten plates, knockin out inmates  
It's just a way of life, nigga shootin the dice  
Now you hit all craps, now you payin the price  
Livin the thuggish life

Chorus:

Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?  
[Snoop] It's only for the money  
It's just the gangsta life we live  
Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?  
[Snoop] It's only for the money  
It's just the gangsta life we live, we live, we live

[Kurupt]  
G, Dove, we, mob  
Killin all y'all, that is our job  
And if you thought it was The Gang then you hit it on  
the knob  
Slide and flip like cocoa bricks, takin your 6  
and leavin it on the side of the freeway on bricks  
Schitzomaniac, automatic, schizophrenic, six  
It's just a psychosomatic, original  
Dogg Pound criminal, ya ever heard of me?  
Kurupt, Young Gotti, motherfucker D-P  
Why is life fucked up? Toe-up  
scrapin from the flo' up to the ceilin, the fo's bust  
for my children to grow  
We live to let go, nigga

Chorus/Outro:

Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?  
[Snoop] It's only for the money  
It's just the gangsta life we live  
Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?  
[Snoop] It's only for the money  
It's just the gangsta life we live

Why oh why, why oh why, why oh why  
[Snoop] It's only for the money  
do we live in dangerous lives?  
[Snoop] It's only for the money  
It's just the gangsta life we live  
Why oh why, why oh why, why oh why
