I can't believe this moment's come
It's so incredible that we're alone
There's so much to be said and done
It's impossible not to be overcome

Will you forgive me if I feel this way?
'Cause we just met, tell me that's okay
So take this feeling, make it grow
Never let it, never let it go

Don't let go of the things you believe in
(You give me something that I can believe in)
No don't let go of this moment in time
Don't let go of things that you're feeling
(Don't let, I can't explain the things that I'm feeling)
No, don't let go
(No, I won't let go)

Now would you mind if I bared my soul?
(I bared my soul to you)
If I came right out and said you're beautiful
'Cause there's something here I can't explain
I feel I'm diving into driving rain
(Diving)

Get my senses running wild
And I can't resist your sweet, sweet smile
So take this feeling, make it grow
Never let it, never let it go

Don't let go of the things you believe in
(You give me something that I can believe in)
No don't let go of this moment in time
Don't let go of things that you're feeling
(Don't let, I can't explain the things that I'm feeling)
No, don't let go
(No, I won't let go)

I've been waiting all my life
(All my life)
Make this moment feel so right
The feel of you just fills the night

So c'mon let's just hold on tight

Don't let go of the things you believe in
(You give me something that I can believe in)
No don't let go of this moment in time
Don't let go of things that you're feeling
(Don't let, I can't explain the things that I'm feeling)
No, don't let go
(No, I won't let go)

Don't let go
(No, I won't let go)
No, don't let go
Whoa, let go
