Right now I feel just like a leaf on a breeze
Who knows where it's blowin', who knows where it's
goin'
I find myself somewhere I, I never thought I'd be
I'm goin' round in circles, yeah, thinkin' about you and
me
And how do I explain it when I don't know what to say?
What do I do now, so much has changed?

Nothin' I have ever known has made me feel this way
Nothin' I have ever seen has made me wanna stay
Here I am, ready for you

I'm turnin', I'm fallin', I hear my home callin'
Hey, I've never felt something so strong, oh no
It's like nothin' I've ever known

Now you're the one I'm looking for, you're the one I
need
You're the one that gives me a reason to believe
Followin' a star has lead to where you are
It feels so strong now, this can't be wrong now

Nothin' I have ever known has made me feel this way
Nothin' I have ever seen has made me wanna stay
Here I am, ready for you

I'm turnin', I'm fallin', I hear my home callin'
Hey, I've never felt something so strong, oh no
It's like nothin' I've ever known
It's like nothin' I've ever known

Right now I feel just like a leaf on a breeze
Who knows where it's blowin'
And who knows where I'm goin'
