"You Can't Take Me"

You can't take me, yeah

Got to fight another fight, I gotta run another night
Oh, get it out, check it out
I'm on my way and I don't feel right
I gotta get me back, I can't be beat and that's a fact
It's okay, I'll find a way
You ain't gonna take me down no way, yeah

Don't judge a thing 'til you know what's inside it
Don't push me, I'll fight it
Never gonna give in, never gonna give it up, no
If you can't catch a wave then you're never gonna ride
it
You can't come uninvited
Never gonna give in, never gonna give it up, no
You can't take me, I'm free

Why did it all go wrong? I wanna know what's going on
And what's this holding me? I'm not where I'm
supposed to be
I gotta fight another fight, I gotta fight with all my
might
I'm getting out, so check it out
You're in my way, yeah, you better watch out
Ohh, come on

Don't judge a thing 'til you know what's inside it
Don't push me, I'll fight it
Never gonna give in, never gonna give it up, no
If you can't catch a wave then you're never gonna ride
it
You can't come uninvited
Never gonna give in, never gonna give it up, no
You can't take me, I'm free, oh yeah, I'm free
