Wash my brain, wash my brain  
Release me from this shame  
And wash my brain

Rose print underwear  
Curly, curly blond, blond hair  
You shine like a dandy lion  
And I hear my own self sighin'

Shooby, dooby, hey, hey, hey

I hope you don?t scare easily  
And I'll wash my brain, ohh, wash my brain  
Cleanse me of this shame  
And wash my brain

Your skirts, are so clean  
And they rest just above the knee  
These needs are so intense  
They drain my intelligence

Heyde, heyde, hail, hail, hail

I swear to God, I won?t kiss and tell  
You wash my brain, ohh, wash my brain  
Release me from this shame  
Ohh, wash my brain

My mind is so dirty, I got mud runnin' out of my ears  
They clog up, so I can?t hear  
The tears of fear  
You better get out of here

Your smiles are so bright  
So, let?s turn out the lights  
If you can?t see the thing which we do  
Then, maybe, baby, you ain't used

Shooby, dooby, ooh, whop, whop, whop

Ohh, God, would you leave on your socks  
And I wash my brain, ohh, wash my brain

Release me from this shame  
Ohh, wash my brain
