I once knew a killer named Lenny Laure
He had lost four fingers, he had faded tattoos
I asked him one day to whom do killers pray
He said to me as he looked away

God don?t even know my name
For I live my whole life in shame
God is in me and God is in you
And God?s love has been abused
God don?t even know my name
God don?t even know my name

Had to fight a baptist preacher who had drank too
much
He took a swing at me but I ducked his punch
I pushed him to the ground and as he rose out of the
dirt
I said, "Why does a preacher man have so much hurt?"

'Cause God don?t even know my name
For I live my whole life in shame
God is in me and God is in you
And God?s love has been abused
God don?t even know my name
God don?t even know my name

I once spoke to God and He made me cry
He said, "I could come to heaven any time"
He did not mind, He forgave my crime

I once loved a Ballerina who was narrow and mean
She believed in nothing but her cable TV
She cussed and she cursed, she swore that Jesus was
dead
If God did not damn her, I wonder who did

God don?t even know my name
For I live my whole life in shame
God is in me and God is in you
And God?s love has been abused
God don?t even know my name
God don?t even know my name

God don?t even know my name
God don?t even know my name
God don?t even know my name
God don?t even know my name
God don?t even know my name
God don?t even know my name
