Red and blue make purple
and purple without red is how i feel
blue is how i feel
running faster chasin' after something
that was never there takes gumption
is how i feel
You wanna know how I feel

Well, I feel like a naked albino
and I'm dancin' in the sun
You are my number one
My one and only one

Two strong arms to wrap around I got 'em
if I only knew how to use 'em
without crushin' someone
Smother choke someone

Flower of her smile wither
wilts away a grimace
but notes a broken promise
is how I feel
Does anybody wanna know how I feel

Well, I feel like a naked albino
and I'm dancin' in the sun
You are my number one
My one and only one

And when I'm naked in the sun
I show my ass to every one
as if that's never been done before
In case you missed the first time

Red and blue make purple
and purple without red is how i feel
blue is how i feel

Well, I feel like a naked albino
and I'm dancin' in the sun
You are my number one

My one and only one
