She's a wild girl-but that's alright
Cause she's living in a wild world
And she's kinda like a queen bee
Swimming in cola
Or like a strange bird
And you dong wanna get too much closer

Yea she's a strange bird
I should know
Because I thought I'd heard an angel
From down the road
But it was you girl
Climbing up a tree and you were howling
I thought I'd heard you singing

chorus

I'm a princess and I'm a thief
I will take what ever you leave
Pay your ticket and get your keys

I'm bored and I wanna go home

She's a wild one
But that's ok because she's living in a wild world
Where I'm the fly and she's the spider
Fighting it out beneath your collar
