When I said
I love you
You blew me off
It turned me on

You blew me off
(It turned me on)
You blew me off
(It turned me on)
You blew me off
(It turned me on)
You blew me off
(It turned me on)

All or nothing
More or less
You assault me ruthlessly
Oh you're the best

You blew me off
(It turned me on)
You blew me off
(It turned me on)
You blew me off
(It turned me on)
You blew me off
(It turned me on)

You don't understand, you see
Your not suppose to take on me
You don't understand, you see
Well, that's just how it's gotta be, yeah

If you ignore me
You get my respect
When you turn to hug me
And I like you less

You blew me off
(It turned me on)
You blew me off
(It turned me on)

You blew me off
(It turned me on)
You blew me off
(It turned me on)

What are you doing?
Callin' me on the phone
Sayin' Bobby come back
Won't ya leave me alone

You blew me off
(It turned me on)
You blew me off
(It turned me on)
You blew me off
(It turned me on)
You blew me off
(It turned me on)

You don't understand, you see
Your not suppose to take on me
You don't understand, you see
Well, that's just how it's gotta be, hey, hey hey hey
