Your favorite hat ? don't wanna give it back
Aint gonna give it back
Big brown floppy brim ? the top is cavin' in
String around my chin

Your favorite hat ? slick with your sweat
Stuck to my head

Too shy too say too much to matter anyways
I got a tiger on top of me and I say
Yea yea yea yea yea
Your favorite hat aint gonna get it back ?
Aint gonna give it back
Standin' in my room ? I see you on the shelf
You watch me watch myself

Yo dance around in the den to music in my head
I hope your peakin in

Too shy too say too much to matter anyways
I got a tiger on top of me and I say
Yea yea yea yea yea

Now that all is left a song of regret stuck in my head
