Mama says truth is all that matters  
Lyn' 'n deceiving is a sin  
Drifting through a world that's torn and tattered  
Every thought I have don't mean a thing

Don't stop, don't stop the dance  
No, more music, don't stop the dance

Mama says love is all that matters  
Beauty should be deeper than your skin  
Living for the moment lips and lashes  
Will I ever find my way again

Don't stop, don't stop the dance  
No, more music, don't stop the dance

Don't stop, don't stop the dance

Mama says only stormy weather  
Don't know why there's no sun in the sky  
Footsteps in the dark come together  
Got to keep on movin' or I'll die

Don't stop, don't stop the dance  
No, more music, don't stop the dance

Don't stop, don't stop the dance  
No, more music, don't stop the dance

Don't stop, don't stop the dance
