Showbiz meetings and the free champagne,
Men in suits who think they know it all,
No one knows me but they know my name,
Thats not real to me.

Hotel lobby to the aeroplane,
Another country but they start to look the same,
Watch the world behind a window pane

(Chorus)

When i see my babies run
When all the madness has been and gone
I raise my famly and live in peace
Now thats whats real to me.

Dying flowers in a dressing room,
Dangerous time to let your head make up its own mind,
Got me thinking that the spirits flown,
Thats not real to me.

(chorus)

When i see my babies run,
When all the madness has been and gone,
I raise my family and live in peace,
Now thats whats real to me.

Picnics in the garden,
And the children they can play,
The first day of the summer,
And i lazier all the day,
And we'll invite the family round,
And drink some english tea,
Then I raise up my finger,
And watch football on TV!

Yeah
Ohhhhhhhh
Now thats whats real to me!

(chorus)

When I see my babies run,
When all the madness has been and gone,

I raise my family and live in peace,
Now thats whats real to me, real to me.

Wake up you might be dreaming,
Wake up you might be dreaming now.....
