Hard To Believe

It's kinda hard to believe it's not a rumour.

It's kinda hard to believe it's not a dream.

It's kinda hard to believe it aint no lie.

It's kinda hard to believe it's all true.

It's true, it's true, it's true.

I like you very much,

I just can't help it

So please forgive me

If I act like a fool

It's because I'm trying so hard

Just to figure out

A way to please your heart

I'll do anything you want,

I'm at your mercy now

Please just say it right back to me

It's kinda hard to believe it's not a rumour.

It's kinda hard to believe it's not a dream.

It's kinda hard to believe it aint no lie.

It's kinda hard to believe it's all true.

It's true, it's true, it's true.

I was scared at first

Just to admit

But now, Ohhh now

It comes with such ease

Cause I know now

It's all true

That I love you

I've got ya now

It's crazy

I get the feeling deep down

In the pit of my stomach

Like I don't want to lose you

Like I am afraid of never seeing you again

Please never scare me by saying Bye

I say this all because...

I Looooooooooooove Yoooooooouuuuuu!

(Love Ya Abbey)
