Found this picture
Of me five years ago
When I thought I had the world at my fingertips
No intentions of letting go

But it's not what you don't know
It's what you don't know you don't know

I think I'll try Las Vegas
Throw some money around
Then blow off to Chicago
Let the wind blow me around
Take my shot in New York City
It's pretty this time of year
I just wish you were here

Found myself in places
That we talked about in our lives
I like to think if you were here with me
I'd have a better time

But it's not what you don't know
It's what you don't know you don't know

I think I'll try Las Vegas
Throw some money around
Then blow off to Chicago
Let the wind blow me around
Take my shot in New York City
It's pretty this time of year
I just wish you were here

Let's go to some cities
? ain't a city
London, Paris, Rome
Don't want to do it on my own
Let's go see the world
We'll see the world together

I think I'll try Las Vegas
Throw some money around
Then blow off to Chicago

Let the wind blow me around
Take my shot in New York City
It's pretty this time of year
I just wish you were here

I think I'll try Las Vegas
Throw some money around
Then blow off to Chicago
Let the wind blow me around
Take my shot in New York City
It's pretty this time of year
I just wish you were here
