Sometime ago,
My mind began to grow.
Became the music,
Which gave me hope.
In my whole life,
A downhill slope.
The music touched,
And I was free.
In the life,
I wanna' leave.

Expressing love,
Through melody.
The only way my heart is free.
The only time,
I really see.
The only way I learn to be.
The only way for me.

It's music for all of my time.
So things won't catch up with my mind.
So I still have hope you'll be mine.
Yeah!
Yeah!
Yeah!

It looks like,
We'll never be together.
But I still have my song.

It's the only way we are together.
It's the only way we are together.
It's the only time we are together!
It's the only time we are together.
When I play!
