How we sing it in you ear

Oh, oh, oooh...

Move your body, yeah, all right
Boogie body, let's dance all night
Move your body, yeah, all right
Boogie body, let's dance all night

Stretch out and let your body move
(Stretch out) you ain't got
Nothing but time

We're having a good time
(Good time, mighty fine good time)
You ain't got nothing to lose

And now you've got to
Let yourself go
You won't regret it

You're gonna be dancing
(Dancing, dancing, dancing)
You'll be the star of the show

Come on (here to let you know)
If you want to boogie
Get out on the dance floor
Let's go, let's go

Boogie body, yeah, all right
Boogie body, let's dance all night
Boogie body, yeah, all right
Boogie body, let's dance all night

Let's party til the morning light (party)
That's just the way I feel
Gonne have a good time
(Good time, mighty fine good time)
Cause we are funkng in here

And get it on til you feel it
This ain't no time to let go
Cause when your body's hot
(Body's hot, can't stop, can't stop)
Just go ahead and strut your stuff

Come on (here to let you know)
If you want to boogie
Get out on the dance floor
Let's go, let's go

Stand up, hey, come on

Dancing, get up, get up and dance
I love to see you, come, get up
Get up and, get on up and
Get on up and

We're here to let you know
If you want to boogie
Get out on the dance floor
Let's go, let's go
