Yeah, hey, hey
Oh, yeah

I'd been having my
Eyes on you for awhile
Girl, it's something about your act
And I sure do like your style

Maybe it's the way
That you carry yourself
Maybe it's the way
That you ride around

You move with the feeling
And you sure know how
Girl, I'm out to get your love
And I'm too hot to stop now

Yeah, yeah, yeah...

I don't mind if I'm considered uncool
Cause I believe to each his own
I don't play that rule

When you find the special one
That really drives you wild
You owe it to yourself to try
Cause soon they might be gone

Getting next to you
Is what I want to do
Girl, I wanna get it somehow
Cause I'm too hot to stop now

Yeah, hey, hey, yeah

Getting next to you
Is what I want to do
Getting next to you
Is what I want to do

Getting next to you

Is what I want to do
Getting next to you
Is what I want to do

Yeah, hey, hey, yeah
