Round n round.
Round n round.
Round n Round.
(verse 1) It didn't take much to fall in love
You look like the boys Ive been dreaming of
Youre driving me wild when you give me a smile
It feels so good when were together.
(Verse 2) Spread my wings, here I go
Is it for real, well I don't know
It doesnt't't't matter what I don't wanna stop
(Bridge) It feels so good when were together.
Like honey to a bumble bee
Youre coming home to me.
(Chorus x2) Round and round and round I go
Round and round I wont let go
Round and round and round I know
You make me feel like the happiest girl in the world.
(verse 3) what's this gonna lead to I don't know
One thing at the time I think it's best so
Spinning around can't touch the ground
It feels so good when were together.
(verse 4) HipHop funky talk I don't really care
As long as you need me I'll be there
Saturday nights gonna be alright
(Bridge) Feels so good when were together.
Like honey to a bumble bee
Youre coming home to me.
(CHORUS x2)
(x2) It didn't take much to fall in love
Didn't take much to know it's you Im thinking of
I love it when were together.
(CHORUSx2)
