(PATRICIA) Crazy about you, you didn't take long (to
get) to know, making your way to my heart
Something about you I couldn't care what it is
Nothing could keep us apart
(ALL) Why did you hurt me?
(PATRICIA) When I needed you to stay
(CHORUS) :
(ALL) What's done is done
(SANDRA) done is done and I can't go on
(ALL) I tumble and fall
(PATRICIA) broke up in pieces my back against the wall
(ALL) What's done is done
(SANDRA) done is done and I can't go on
(ALL) It's time to begin
(PATRICIA) I'm pulling myself together, Trying once
again, What's done is done
(PATRICIA) Losing direction running in the dark
Realise I should have known
Cards on the table Heaven is loving you
I can't go on, on my own
(ALL) Why did you hurt me?
(PATRICIA) When I needed you to stay
(CHORUS)
(PATRICIA) Something inside me tells me that it's true
Am I still so in love with you
(ALL) What's done is done... What's done is done...
(CHORUS x2
