We don't find them to bang bomb boom
When love and choice mean to bang bomb boom
Why, while were leaving the band can move
Well leaving tall well to evil evil too
We don't find them to bang bomb boom
When love and choice mean to bang bomb boom
Why, while were leaving the band can move
Well leaving tall well to evil evil too
Whoa
Freedom find them the rain mine boom
With love and choice lead to bang bomb boom
Why while were leaving the band can move
Well leaving tall well to evil evil too
While were leaving it's round too round
And shrivel me, to the deutchland band
And leave me dancing too round round round
Means I get to get the play the beats

Bow wow(X10)

While were laid here one summertime
We will love old sea again and say bybybyby
We will leave them tall one bang bam boom
When we sea sun the gang tooth come
When we love them both and the band can too

We will love, biddibodi bidibu
Whoa
(X10)

Bow wow(x5)

Tin theiving zoggy and the ran thief run
Whoa up and time below up high
(X10)

We will love, biddibodi bidibu
Whoa
(X10)

We don't find them to bang bomb boom
When love and choice mean to bang bomb boom

Why, while were leaving the band can move
Well leaving tall well to evil evil too
We don't find them to bang bomb boom
When love and choice mean to bang bomb boom
Why, while were leaving the band can move
Well leaving tall well to evil evil too
Whoa(X2)
We will love, biddibodi bidibu
Whoa
(X10)
