It's getting hot - we blow the spot!
(play that funky music, play that funky music)
(COMPUTER VOICE)
Music.... (SANDY)
Party's getting started, lights are getting low (SANDY)
Something is about to explode (SANDY)
Souls are shaken and hearts are taken around you,
yeah, yeah (SANDY)
Come a little closer, moving to the vibe (CARRO)
Show me that you're up for the ride (CARRO)
The bass is pumping and people (are) jumping around
you, yeah, yeah (CARRO)
So, you got what it takes? Can you handle the case?
(ALL)
Then everything will be alright (ALL)
Everybody's going (SANDY)
Down! Down! Down! (ALL)
(When we're grooving) (COMPUTER VOICE)
Bouncing, getting it on to the music (ALL)
We blow the spot
Bouncing, making it right while we cruising
It's getting hot
We blow the spot!
Cranking up the level, speeding down the lane (PATTI)
Everybody's going insane (PATTI)
All the girls are flying, the boys are trying around you,
yeah, yeah (PATTI)
Making our connections, talking through the eyes
(SANDY)
Knowing that tonight is the night (SANDY)
And it feels so good, like I know it would around you,
ooh ooh ooh (CARRO & SANDY)
So, you got what it takes? Can you handle the case?
(ALL)
Then everything will be alright (ALL)
Everybody's going... (CARRO)
Down! Down! Down! (ALL)
(When we're grooving) (COMPUTER VOICE)
Bouncing, getting it on to the music (ALL)
We blow the spot
Bouncing, making it right while we cruising
It's getting hot

We blow the spot!
Swing it (ALL)
Shake it
Sliding to the left
We're moving and kicking
Sliding to the right
Come on
So, you got what it takes? Can you handle the case?
(ALL)
Then everything will be alright
Down! Down! Down!
(When we're grooving) (COMPUTER VOICE)
Bouncing, getting it on to the music (ALL)
(to the music) (SANDY)
We blow the spot (ALL)
Bouncing, making it right while we crusing (ALL)
It's getting hot (ALL)
We blow the spot! (ALL)
Bouncing, getting it on to the music (ALL)
We blow the spot (ALL)
(we blow the spot) (SANDY)
BUBBLES making it right while we crusing (ALL)
It's getting hot (ALL)
We blow the spot! (ALL)
