Oh, come on girls
Oh oh oh oh

1 2 put your hands up
3 4 on the dance floor
5 6 step to the side
We're do it all again

Girls are dancing everywhere
Boys are sitting down
Girls are dancing on the street
Listen to the sound
Don't be lazy don't be shy
Come on take my hand
Hear the beat and you will understand
Oh oh oh oh we're gonna have some fun
Oh oh oh oh we've only just begun
