(Hannah) -What's up girls?
I think it's time to get our act together.
Checkin' out some boys, you know and move into the party.

(Alla) Wanna dance, take a chance.
Wanna dance with me. Do you wanna dance with me?

(Sandra) When the music is high and the lights are low,
you pretend to high but still it shows.
Gonna catch your eye, sooner or later.
Now we working out where this is going.
Can't go back, I know it's growing.
Does it really matter what they say?

(Alla) Do you wanna dance with me?
Take a look and tell me what you see.
Tell me if I'm moving right.
Take you to the stars tonight.
Do you wanna tuch my heart?
Make a move, we can make a start.
I'm gonna ask you one more time.
Do you wanna dance with me?

(Patricia) Do you believe that if we move to fast?
It will come and go, it will never last.
Come in the morningsun. You were member.
(Caroline) Should I listen to what mama told me?
Close my eyes and let you hold me.
Does it really matter what thay say?
