(Alla)

You take my breath away,
More than words can say.
Don't ever leave me lonely. Oh yeah.

(Patricia)

Never gonna be the same without you.
Never gonna laugh and make it alright.

(Yenny)

Always there for me to turn to.
Always there to be my daylight.
(Sandra/Patricia & Hannah/Yenny/Caroline)
There was a time when we shared a secret.
There was a time when you said to me...

(Caroline)

Listen up girls!

(Alla)

Girls of the world!

(Caroline)

Girls got the power!

(Alla)

Looking like a flower!

(Caroline)

Listen up! Listen up!
When he says to you...

(Alla, refrng)

You take my breath away,
More than words can say.
Don't ever leave me lonely.
You brighten up my life, my candle in the night.
Don't ever leave me lonely.

(Alla)

When I gave you my heart I thought it'd last forever.
Now what to become of me.

Oh, you take my breath away, oh yeah.

(Sandra)

Broke my heart from the day you left me.
Broke my heart, you gonna forget me.

(Hannah)

Walk away, you wont see me crying.
Walking away from all your lying.
(Sandra/Patricia & Yenny/Hannah/Caroline)
There was a time when we shared a secret.
