[Doyle Holly]

Your suitcase is packed and the cab is waiting
But there's one thing that I would like to say
But although you go I'll have no time for hating
Tomorrow's gonna bring a brand new day
And I'll be all right tomorrow if tomorrow ever comes
Tomorrow I'll have all my cryin's out
Tomorrow I'll be happy I'll be walking in the sun
I'll be over you tomorrow if tomorrow ever comes

I'm not denyin' that I'm gonna miss you
And I'm not denyin' that I'm gonna cry
But I won't let your mem'ry turn my heart out
I'll just ignore the teardrops in my eyes
Yes I'll be all right tomorrow...
I'll be over you tomorrow if tomorrow ever comes
