Well, the pitty pitty pater of a little bitty feet
Gonna pitty pitty pater through our house
A gonna be a comin' in June, gonna stop our
honeymoon
'Cause the pitty pitty pater of a little bitty feet
Gonna pitty pitty pater through our house

I gotta be a thinkin' of a name
Yeah, there's gonna be a great big change
Gonna be a lookin' for a bottle in the middle of the
night
Lookin' for a chance to hold mama tight
A washin' little diapers every day
A big doctor bill I'm gonna have to pay, pay, pay

Oh, the pitty pitty pater through our house
I gotta be a thinkin' of a name
Yeah, there's gonna be a great big change
Gonna be a lookin' for a bottle in the middle of the
night
Lookin' for a chance to hold mama tight
A washin' little diapers every day
A big doctor bill I'm gonna have to pay, pay, pay

Well, the pitty pitty pater of a little bitty feet
Gonna pitty pitty pater through our house
A gonna be a comin' in June, gonna stop our
honeymoon
'Cause the pitty pitty pater of a little bitty feet

'Cause the pitty pitty pater of a little bitty feet
Gonna pitty pitty pater through our house
A gonna be a comin' in June, gonna stop our
honeymoon
'Cause the pitty pitty pater of a little bitty feet
