Gary Barlow

Love it has so many beautiful faces  
Sharing lives and sharing days  
My love it has so many empty spaces  
I'm sharing a memory now I hope that's how it stays  
Now I'm deep inside love and still breathing  
She is holding my heart in her hand  
I'm the closest I've been to believing  
this could be love forever  
All throughout my life the reasons I've demanded  
But how can I reason with the reason I'm a man  
Oh, oh yeah, ummm huh  
In a minute I'm needing to hold her  
In an hour I'm cold, cold as stone  
When she leaves it gets harder and  
harder to face life alone  
Now my dreams are filled with times when we're  
together  
Guess what I need from her is forever love  
Ooh, ooh yeah oooh umm  
Oh, oh yeah  
Now I feel forever love oooh  
Oh, I feel
