Gary Barlow/Diane Warren  
You say you need two arms to hold you,  
You say you need a touch that's strong.  
All All All I can give you,  
Is a love to last a lifetime long.  
Hear what I'm saying baby.  
My commitment, my commitment,  
My commitment to you  
My commitment, my commitment,  
My commitment is to live to love you.  
I will love you from the heart,  
Yes I will, I'll I'll I'll never leave you.  
Forever you'll be safe within these arms.  
Don't you hear what I'm saying baby.  
My commitment, my commitment,  
My commitment to you  
My commitment, my commitment,  
My commitment is to live to love you.  
I will hold you I will show you,  
You can put your faith in me.  
All of my life I'll be all that you need.  
I will give you strength, I'll give you faith,  
I'll give you all of me.  
This time this love won't let you down.  
This time you can believe in me,  
Let my love be the answer to the question,  
In your heart baby.  
Look in your should and you'll see,  
I'll be, all all all that you need,  
All All All that you need, this time I swear,  
You can believe, I'll be all all all that you need.  
My commitment, my commitment,  
My commitment to you  
My commitment, my commitment,  
My commitment is to live to love you.  
I will hold you I will show you,  
You can put your faith in me,  
All of my life I'll be all that you need.  
Commitment, commitment  
Make your commitment to me.
