Kanashimi iro no sora derision madoromu glass mado

Koe wo age nakijakuru oh mad girl

Kurui dashita shisen chi wo nagasu hitomi no misery

Yumemite ina yo itsumo dead time kono te wo

Kono mama jafutaritomo crumble down
Musaboru karada yoru wo make up kake hiki darake
konna love game
Itsu no aida ni kawari hate oh mad girl

Kurui dashita shisen chi wo nagasu hitomi wa misery
Midare sugita kioku doko kara ka tsumahajiku melody
Only lonely my girl mitsumete ageru

Only lonely my girl nemure nu yoru wa
Suteki wo matoi moeagareyo

Only lonely my girl mitsumete ageru
