Dreaminess heya o someru tsuki no hikari
Stillness seijaku ni shizun de my heart

My lover kurayami ni kieteiku furueteru karada de cry
out
I cry out under the moonlight

Darkness yume setsunaku kokoro o tsutsumu
Sadness taba no mada no omoi hikari no nakae

My lover yokogao ga kasundeku hibi wareta kokoro de
cry out
I cry out under the moonlight

Woo goodbye my love
Woo goodbye your love
Toki o tomete sono hohoemi hitomi no naka kiete yuku
moonlight

My lover kuchibiru ga nijundeku tokedashita hitomi de
cry out
My lover konagonaku ochiteiku nureteiru hitomi de cry
out
I cry out under the moonlight

Woo goodbye my love
Woo goodbye your love
Toki o tomete sono hohoemi hitomi no naka kiete
yuku...

Woo goodbye my love
Woo goodbye your love
Dare mo inai hoshi no kanata te o hirogete kiete yuku
moonlight
