You're like a stone baby
All alone baby
Come alone for the ride yeah

I'm on the wrong setting
Hot as hell ready
I'm the next one in line, yeah

(Chorus)

Slammin'
It's your back side baby
Off the hook and so out of line yeah
Slammin'
Is your top side heavy
Damn you gotta give me some time yeah

We gotta sex lady
Stone cold crazy
Let me talk from behind yeah

I'm on the phone beggin'
Give me a piece of heaven
I'm only hear for the night yeah

(Chorus)

After the last song
She's comes around
Saturdays, holidays
We're always making the rounds

I need some face women
Please be my dirty lover
Just do wrong don't do right yeah

I'm on the stage burning
Keep the heads turning
Give it all for the light

(Chorus)
