Somebody save me from domestic suicide

Don't try to sell me on the safer things in life

Feel me, hold me, hate me, scold me, never change
your mind

Take me, know me, kiss me, stone me, open up my
eyes

Cause I'm dying

(Chorus)

I'll never leave you underneath

Always want your company

I need your love

I am defective

I'm a diehard and a fiend

Not off the bullshit train,

The truth is what I need

Feel me, hold me, hate me, scold me, never change
your mind

Take me, know me, kiss me, stone me, open up my
eyes

Cause I'm dying

(CHORUS)

Do you ever remember when we stayed up throught the
night

I will always remember how you made me feel

I'll never leave you

(CHORUS X2)

Cause I'm dyin
