(Verse)

She's part of my pages, she's the one that's gonna  
make me crazy,  
What if I'm in love, so what if I am?  
I'm hiding desire, it's like I'm walking on a high wire,  
What if I'm in love, so what if I am

(Chorus)

Lost, uncertain, I feel good with you,  
You feel it, said hopeful and true.  
You tangle, I'm trapped and I'm blue  
You, nobody sees through the secrets, the real you  
But I know, cause I've seen you.

(Verse)

She's certain, she's stable, we're gonna take it to a  
higher level,  
What if I'm in love, so what if I am?  
I'm not gonna deny it, she's on my mind every single  
moment,  
What if I'm in love, so what if I am

(Chorus)

Lost, uncertain, I feel good with you,  
You feel it, said hopeful and true.  
You tangle, I'm trapped and I'm blue  
You, nobody sees through the secrets, the real you  
But I know, cause I've seen you.

(Bridge)

I feel good when I'm with you,  
Brand new, case it blast the shadowed  
I see things with a different view  
And you reign cause you know how to get it aside.

What if I'm in love, so what if I am?  
Maybe I am

(Chorus)

Lost, uncertain, but I feel good with you,  
You feel it, said hopeful and true.

You tangle, I'm trapped and I'm blue  
You, nobody sees through the secrets, the real you  
But I know, cause I've seen, I've seen you.
