Dance with me people
Yea
The canvas of an open mind
Well it makes a good mold
I'm takin' off on you this time
Don't be late for the show, yea
Yea
We're always laughin' and singin' and groovin'
And lovin' and reachin' for more
I can't sleep on it tonight
But tomorrow will bring more
You know what I'm talking about, now
Here we go

So come and ride
On the borderline
The timing's right
Are you satisfied?

I thought about a time away
And I'm taking it slow
Ahh
It's hard to break away from lovin'
When it feels so good
We're always laughin' and singin' and groovin'
And lovin' and reachin' for more
I cannot sleep on it tonight
But tomorrow will bring more
And he always loves you all
Come on now

So come and ride
On the borderline
The timing's right
Are you satisfied?
Are you satisfied?
Alright

Yeah
Alright
Yea, yea, yea, yea
Done so much livin', baby

All the way to the top we go
Yea, yea, yea, yea
Done so much livin', baby
All the way to the top
When you love, yea
When you love, yea
Well, you always got to get back to love
When you love, yea
When you love, yea
Well, you always got to get back to love

So come and ride
On the borderline
The timing's right
Are you satisfied?
Talk to me now

So come and ride
On the borderline
The timing's right
Are you satisfied?
