I can't stay with you now 'cause I am so ashamed  
Didn't mean to let you down and tears run down my  
face  
Are you still in love with me?  
I need to know right now?  
'Cause I'm still in love with you

I want to be in your dreams  
In your dreams!  
Just wait and see you can count on me  
Count on me!  
I know just what you're after  
My heart keeps beating faster  
I wanna to see you in my dreams

I am trying to change  
But something's in the way  
I take all of the blame  
And hate the things I said  
Do you still feel the same?  
I need to know right now?  
'Cause I know it's hard to change

I want to be in your dreams  
In your dreams!  
Just wait and see you can count on me  
Count on me!  
I know just what you're after  
My heart keeps beating faster  
I wanna to see you in my dreams

Lay your head on my shoulder  
And I won't let you go

Yeah, yeah

I'm not falling  
Under 'cause I know that it's hard to find  
Yeah, yeah  
When I'm down  
I reach for the sky and sometimes I want to cry yeah,  
yeah

Are you still in love with me?  
I need to know right now?  
' Cause I'm still in love with you

I want to be in your dreams  
In your dreams!  
Just wait and see you can count on me  
Count on me!  
I know just what you're after  
My heart keeps beating faster  
I wanna to see you in my dreams

Lay your head on my shoulder  
And I won't let you go

Yeah, yeah
