(Verse)

I've been watching you all day and night  
I bet you'll make someone a perfect wife  
My infatuation burns inside  
I envy you and watch you in my life.

(Pre-Chorus)

I see your moving toss me, I feel it deep inside,  
My mind, I can't control it, I wish I had your life.

(Chorus)

She's got everything,  
I hate it cause I envy him  
And he doesn't care like I do.  
She's got everything,  
I hate it cause I envy him  
And he doesn't care like I do.

(Verse)

Walk the streets under a full moon sky  
They say all the freaks come out at night.  
Seems like everyone has so much more  
That's why I want you to make me whole.

(Pre-Chorus)

I see your moving toss me, I feel it deep inside,  
My mind, I can't control it, I wish I had your life.

(Chorus)

She's got everything,  
I hate it cause I envy him  
And he doesn't care like I do.  
She's got everything,  
I hate it cause I envy him  
And he doesn't care like I do.

(Bridge)

I don't care, I'll stay here all night and wait for you.  
All this is envy inside of me, I can't control.  
I want you to know what it's like and feel it, too.

(Chorus)

She's got everything,  
I hate it cause I envy him  
And he doesn't care like I do.  
She's got everything,  
I hate it cause I envy him  
And he doesn't care like I do.  
She's got everything,  
I hate it cause I envy him,  
He doesn't care like I do.
