Worked so hard to find my way  
Face my fears and enemies  
Lost some friends but nothing gets me down  
Learned a lot from all my tears  
Fought the good fight all these years  
You should know that nothing stops me now

Fire off your guns  
And take your chances  
Make it happen  
'Cause it won't take me but one shot  
And then you're down  
Fire off your guns  
You made a choice  
I know you're broken  
I'll be nice and give you four counts  
And turn around  
(4, 3, 2, 1)

I hold my future in my hands  
It's not a rule, it's what I demand  
I won't give up and I won't be turned around  
The time has come to make a stand  
And sacrifice all that you have  
Victorious or buried in the ground

Fire off your guns  
And take your chances  
Make it happen  
'Cause it won't take me but one shot  
And you're down  
(4, 3, 2, 1)  
Fire off your guns  
You made a choice  
I know you're broken  
I'll be nice and give you four counts  
And turn around  
(4, 3, 2, 1)

4, 3, 2, 1

4, 3, 2, 1

4, 3, 2, 1

4, 3, 2, 1

Fire off your guns  
Fire off your guns

Fire off your guns  
And take your chances  
Make it happen  
'Cause it won't take me but one shot  
And you're down

(4, 3, 2, 1)

Fire off your guns  
You made a choice  
I know you're broken  
I'll be nice and give you four counts  
And turn around

(4, 3, 2, 1)

Fire off your guns  
And take your chances  
Make it happen  
'Cause it won't take me but one shot  
And you're down

(4, 3, 2, 1)

Fire off your guns  
You made a choice  
I know you're broken  
I'll be nice and give you four counts  
And turn around
