Can't stand working  
Stayin' out fucking late  
Downtown scream on the odds are  
I'm getting laid

Before you hit the door  
There's a tweaker in the bathroom

I fought the law  
And the mother fucker took me to jail

(Chorus)

Do you ever think about the good things  
From your using days and the bad dreams  
Do you ever think  
Do you ever think  
Do you ever  
Fucking think at all

The band is kickin'  
The club is filling up with freaks

8ball dealing  
A dollar 45 for drinks

Before you hit the door  
There's a head banger stacked with weed

I got some flaws but  
I still cut fucking loose

(Chorus X2)

Last one standing  
Nothing at home to drink

Close your face  
My libido's about to break

(Chorus X2)
