Oh yeah!  
You wanna find it  
Come on, yeah  
I'm on a plane with cocaine  
And yes I'm all lit up again  
Cough up love and touch up  
Your mama says packin' lines is sin

Chorus  
And yes I'm all lit up again  
On the couch, in my bed  
And yes I'm all lit up again, flyin'  
I love the cocaine, I love the cocaine  
Mama can you wait, mama can you wait

I'm on a train and ride on  
You know the train is stayin' off the track  
I'm in touch love, from this crutch  
Well you're on ten but buddy I'm on eleven

And yes I'm all lit up again  
On the couch, in my bed  
And yes I'm all lit up again, flyin'  
I love the cocaine, I love the cocaine  
Mama can you wait, mama can you wait  
I love the cocaine, I love the cocaine

Mama can you wait  
Oh can you wait long?

Solo break

Crack the door for the curious girl 'cause she's waitin'  
she's been waitin'  
Chop a line for the fiendin' man 'cause he wants one  
You know, you know you got to  
Can you feel it, can you feel it tonight  
Are you high, lord, tell me are ya fuckin' high?  
In the moment, you are just so right  
You're right love, oh you're right love

And yes I'm all lit up again

On the couch, in my bed  
And yes I'm all lit up again, flyin'  
I love the cocaine, I love the cocaine  
Mama can you wait, mama can you wait  
I love the cocaine, I love the cocaine  
Mama can you wait, oh can you wait long  
Oh yeah  
You wanna find it  
Alright.. yeah  
Yeah...
