You can't erase this deep inside of me
I know I'm not a sight to see
But baby I'm alive
I cherish the love and I cherish the life that's inside of
me
I know I'm not a sight to see
But baby I'm alive

Won't you come and rescue me
Separate myself from me
Maybe I'm too blind to see
Save my life
Rescue me

I lie awake it takes its toll on me
And now my broken heart it bleeds
But baby I'm alive
I cherish the love and I cherish the life that's inside of
me
And now my broken heart it bleeds
But baby I'm alive

Won't you come and rescue me
Separate myself from me
Maybe I'm too blind to see
Save my life
Won't you come and rescue me

I'm torn away from what I need
Help me now I'm way too deep
Save my life

It's not over now
And I just want to say
You'll never be left out
I love you more today
It's not over now
No more time to waste
Kiss me on the mouth
And take my breath away

I cherish the love and I cherish the life that's inside of

me
I know Iâ€™m not a sight to see
But baby Iâ€™m alive
Wonâ€™t you come and rescue me
Seperate myself from me
Maybe Iâ€™m too blind to see
Save my life
Wonâ€™t you come and rescue me
Iâ€™m torn away from what I need
Help me now I'm way too deep
Save my life
Rescue me
