Somebody save me
From domestic suicide
Don't try to sell me
On the safer things in life

Feel me, hold me, hate me, scold me
Never change your mind
Take me, know me, kiss me, stone me
Opened up my eyes, 'cause I'm dyin'

I'll never leave you underneath
Always want your company
I need your love

I am defective
I'm a die hard and a fiend
Not off the bullshit train
The truth is what I need

Feel me, hold me, hate me, scold me
Never change your mind
Take me, know me, kiss me, stone me
Opened up my eyes, 'cause I'm dyin'

I'll never leave you underneath
Always want your company
I need your love

I'll never leave you underneath
Always want your company
I need your love

Do you ever remember
When we stayed up through the night?
I will always remember
How you made me feel, I'd never leave you

I'll never leave you underneath
Always want your company
I need your love
'Cause I'm dyin'

I'll never leave you underneath
Always want your company
I need your love
'Cause I'm dyin'
