**This song can also be found on the FIRST Fleetwood Mac album with Lindsey

And Stevie (the one that has "Rhiannon" on it). The version on this record,

In my opinion, is MUCH better. Those of you that are Stevie and Lindsey

Fans should DEFINATELY try to get a copy, although it isn't easy, believe

Me!! But it's worth the cash, I promise.

And now....the song:

Do you always trust your first initial feeling?

Special knowledge holds truth, bears believing

I turned around

And the water was closing all around

Like a glove

Like the love...that had finally, finally found me

Then I knew

In the crystalline knowledge...of you

Drove me through the mountains

Through the crystal-like clear water fountain

Drove me like a magnet...to the sea

How the faces of love have changed

I'm turning the pages

And I have changed...oh, but you...you remain ageless

I turned around

And the water was closing all around

Like a glove

Like the love..that had finally, finally found me

Then I knew...in the crystalline knowledge of you

Drove me through the mountains

Through the crystal-like, clear water fountain

Drove me like a magnet...to the sea

To the sea....

To the sea....
