Baby, baby, don't treat me so bad

I'm the best boy that you ever had

You wanna leave now and find a new start

It's gonna kill me if you break my heart

Chorus:

Oh, don't you let me down again

Oh, you're just bound to see the end

Baby, baby, don't treat me this way

I'm gonna make it again someday

There's just one thing I'd like you to know

I've got no more to lose if you go

Repeat Chorus
